

# One Million Dollars Saved

Energy Conservation Program

**\$ 1,038,682.00**

## **CDSD Environment Impact**

**Reduced Our Energy Consumption by 50,297 MMBTU**

**Preventing 5,110 Metric Tons of Carbon Dioxide Emissions**

Or

**Removing 917 Cars from the Road Annually**

Or

**130,710 Tree Seedlings Planted and Grown for 10 Years**

Thank you, Central Dauphin School District Teachers, Students, Staff and Administration, for your continuous effort, maintaining the District Energy Conservation Policy and saving over **One Million Dollars**.

Calculated from start of program 04/2009 through 12/2011
