

FUSION VBC
Other Benefits

We feel that our Club is designed to not only teach your daughter the game of volleyball, but also to provide a solid family atmosphere where she can feel comfortable and where her entire family can be part of the much larger "Fusion Family"!!

Several events throughout the season offer a chance for the entire Club to get together, including:

"Welcome to FUSION Night" starts the season as we introduce and congratulate the 2015-2016 Fusion VBC team members. Volleyball 101 for parents, administrative items, food and fellowship take place at this event.

The FUSION Year-End Celebration ends the season with a bang...Awards, games, food, and fun allows the entire Club to celebrate a successful season!

Jump and position-specific skill training will be provided on a bi-weekly basis for all players. This training is in addition to the regular team practice sessions. *Previous results have been phenomenal!*

We look forward to adding many more individuals to our volleyball family!!
