

The Pennsylvania Department of Health (DOH) has directed school districts to communicate with the state regarding potential school shutdowns. The District will continue to keep abreast of the totality of the circumstances, both in the schools and in the community, and will work with the DOH to keep our students as safe as possible.

During the 2022-2023 school year, if a positive case occurs in a District building, an individual school notification letter will be sent on the last day of that school week. This letter will contain the total number of individual cases that have been reported during that week. If no cases are reported in a building, a letter will not be sent. Please contact the building principal with any questions.

Central Dauphin School District In-Person COVID-19 Tracker
