

My Ride K-12 Announcement

March 2024

Dear CDSF Families,

You are receiving this **important announcement** to inform you that the Ride 360 mobile app currently used by CDSF for all transportation information is being replaced by the software company. The replacement app is **My Ride K-12**.

My Ride K-12, can be downloaded in the Apple and Android app stores. You will need to download the new app to access updated transportation information for your student(s). Usernames and passwords from Ride 360 will carry over into **My Ride K-12**. Additionally, you can use your existing log-in information to access a web version of My Ride K-12 at myridek12.tylerapp.com.

Please know that you must download the My Ride K-12 by April 19th, as this is our primary means of communicating bus assignments, delays, splits, updates, and any other transportation information parents, guardians, and caregivers need to know.

As always, feel free to contact the Transportation Department at **717-545-4703, ext. 70518** with any questions you may have.

Thank you for your continued support of the Central Dauphin School District.
