

Good morning CDS D Parents & Guardians:

We have appreciated guardians' prompt reporting of positive COVID-19 student cases to the district.

Please continue reporting positive cases through this [form](#) or by clicking on the link found on the main page of the district website. Reports can also be made by contacting your child's school.

If your child tested positive over the winter break, we encourage you to report even if the case is resolved. This information will be a key variable as we consider when to return to in-person learning.

Up to date information regarding reported confirmed positive COVID-19 cases can be found on the district website at www.cdschools.org.

As a reminder, drive up COVID-19 testing for symptomatic individuals is available to all CDS D students and staff. Contact your child's school nurse for more information.

Thank you for your ongoing support as we navigate through this everchanging pandemic. Please contact your child's school with any questions.
