Central Dauphin School District

Sports Physical Packet

SPRING - 2023

OFFICE USE ONLY
_____Check No: _____
_____ Cash $ _____

DATE OF CDSD OFFERED PHYSICALS: CDHS: 02/16/2023 CDEHS: 02/22/2023

Student's Name: _____ School Enrolled: _____

Gender: _____ Participating in sports at: (Circle): CDEHS / CDHS / CDEMS-SMS / CDMS-LMS

DOB/Age: _____/_____ Grade level at time sport season begins: (Circle) 7 8 9 10 11 12

Sport this Season: _____ Season: (Circle) Fall Winter Spring

Parent/Guardian Email Address: _____

Physical Packet Directions:

- Packet must be fully completed and turned in as the **signed originals**. NO copies/faxes will be accepted.
- Students obtaining physical from CDSD on offered date(s) must:
  - Have **all paperwork signed and completed** (except the PIAA Section 7) prior to getting a physical evaluation at the schools
  - Cash or Check for $20.00 (checks made payable to Central Dauphin School District)
- Students obtaining physicals on their own must:
  - Have all paperwork signed, completed (including the PIAA Section 7), and turned in as originals prior to sports participation
  - **The PIAA Section 7 may NOT be dated PRIOR to June 1, 2022** (including cheerleading)
  - Only one date is permissible on the PIAA Section 7
- **ALL Paperwork must be turned in NO LATER THAN WEDNESDAY, MARCH 1, 2023**
- NO STUDENT MAY TRY-OUT/PARTICIPATE IN A SPORT UNTIL BEING "CLEARED" BY AN AUTHORIZED MEDICAL EXAMINER ON THE PIAA CIPPE/CDSD PHYSICAL PACKET AND SAID FORMS ARE REVIEWED/APPROVED BY THE APPROPRIATE PERSONNEL AT THEIR RESPECTIVE SCHOOL. ImPACT BASELINE TESTING MUST BE COMPLETED PRIOR TO TRY-OUT/PARTICIPATION FOR HIGH SCHOOL STUDENTS AS WELL.

Additional information and date(s) of sports physicals and ImPACT Baseline Concussion testing can be found at: www.cdschools.org

Certain Medical Conditions requiring additional paperwork prior to participation:

YES NO My child has one of the following conditions:

____ ____ Asthma (either controlled or exercise-induced) or Reactive Airway Disease

____ ____ Severe Allergic Reaction requiring use of an Epi-Pen

____ ____ Diabetes

Has this condition change since their last sports physical? (Circle) YES NO
(If you marked **YES** to any of the above questions please fill out the **Certain Medical Conditions Page** completely and turn it in with this packet.)

Is the additional paperwork for this school year on file with the nurse? (Circle) YES NO

I hereby certify that to the best of my knowledge all of the information herein is true and complete.

Parent/Guardian Name (Printed): _____

Parent/Guardian Signature: _____

Revised: 01/12/2023

THIS PAGE INTENTIONALLY LEFT BLANK

Only CDSD and PIAA approved forms for sports physicals will be accepted. These must be the signed originals. NO PHOTOCOPIES OR FAXES ACCEPTED.

CENTRAL DAUPHIN SCHOOL DISTRICT
INTERSCHOLASTIC ATHLETICS
AUTHORIZATION FOR RELEASE OF MEDICAL INFORMATION

Please read the following statements and sign below:

I hereby authorize the use or disclosure of my individually identifiable Protected Health Information (PHI) as described below. I understand this authorization is voluntary. I understand that if the organization authorized to receive this information is not a health plan or health care provider, the release of information may no longer be protected by Health Insurance Portability and Accountability Act (HIPAA) regulations. The PHI may be re-disclosed by the recipient as appropriate according to Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student educational records.

Organization Providing the Information: Central Dauphin School District appointed Physician(s), Student-Athlete's Primary Physician, any Physician serving a Central Dauphin School District Student Athlete, and the Student Athlete's Nurse(s) or Certified Athletic Trainer(s) at their school building of attendance.
Organization(s) or Person(s) Receiving the Information: Central Dauphin School District appointed Physician(s) and the Certified Athletic Trainer(s), Nurse(s), Coaches, and Athletic Director at the student athlete's school building of attendance.
Specific Description of Information Disclosed: All medical and individually identifiable Protected Health Information (PHI) relating to any sports injury, including but not limited to diagnosis, treatment, prognosis, likelihood and timing of recovery and recommendations concerning ability to play competitively and safely.
Purpose of Disclosure: To apprise Central Dauphin School District appointed Physician(s), and the Certified Athletic Trainer(s), Nurse(s), Coaches, and Athletic Director at the student athletes school building of attendance about the extent and nature of any sports-related injury for the purpose of rehabilitation, training, recovery, and ability to play competitively and safely.

I understand this authorization will expire one year from the signed date, or on the graduation date from the current educational institution high school, whichever shall first occur.

I understand that I may revoke this Authorization at any time by notifying Central Dauphin School District's appointed Physician(s) in writing, but if I do, it will not have any affect on any actions Central Dauphin School District's appointed Physician(s) took before he/she received the revocation.

ACKNOWLEDGEMENT OF A SCHOOL OFFERED SPORTS PHYSICAL EVALUTATION

Central Dauphin School District Appointed Physicians
Francis X. Brescia, JR., DO., FACOFP Amy L. Zellers, D.O.

I/We hereby acknowledge that if my child attends one of the school-offered sports physical evaluations that he/she is receiving either a pre-participation evaluation or recertification prior to participating in athletics at this institution. This evaluation **does not** replace the need for annual well child examination with their regular **primary care provider**. This screening **does not** address routine health care needs such as recommended immunizations, nor does it include evaluation and testing for such things as childhood obesity or other childhood problems. I/We understand that I/We are strongly encouraged to continue annual checkups with your child's primary care provider. Further, I/We understand that should any of the CDSD appointed physicians during my child's pre-participation evaluation or recertification find them not fit to participate, I/We will obtain further evaluation at our expense from our primary care provider or specialist and furnish any required records or reports from these healthcare professionals who have examined or treated my child.

Athlete Date

Parent/Guardian Date

Only CDSD and PIAA approved forms for sports physicals will be accepted. These must be the signed originals. NO PHOTOCOPIES OR FAXES ACCEPTED.
Revised July 2018

ACKNOWLEDGMENT OF RISK, RELEASE AND WAIVER OF LIABILITY AND CONSENT TO PARTICIPATE

I/We hereby acknowledge that participation in athletics involves a risk of injury. I/We understand that this risk includes severe injuries possibly involving paralysis, permanent mental disability, or death, and that these injuries may occur, in some instances, as a result of avoidable accidents.

I/We assume these risks including, but not limited to: 1) risk of injury associated with the use of District equipment in conjunction with athletic activities, 2) risk of injury arising from participation in supervised or unsupervised athletic activities and programs, including tryouts, games, scrimmages, practices and training, and 3) risk of injury or medical disorder resulting from participation in the athletic activity.

I/We expressly waive, disclaim, and release CDSD, its directors, agents, employees, and representatives from and against any claims of any kind whatsoever, including, but not limited to, claims of negligence, costs, liabilities, expenses and judgments, related to any injury sustained as a result of the participation in athletics.

By signing this agreement, I affirm that I have read and understand the terms of the agreement and that I/We give consent to participate in athletic activities during the season.

PIAA COMPREHENSIVE INITIAL PRE-PARTICIPATION PHYSICAL EVALUATION

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first seven Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, 5 and 6 by the student and parent/guardian; and Section 7 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the latter of the next May 31st or the conclusion of the spring sports season.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 8 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 9 need be completed.

SECTION 1: PERSONAL AND EMERGENCY INFORMATION

PERSONAL INFORMATION

Student's Name _____ Male/Female (circle one)

Date of Student's Birth: ____/____/_____ Age of Student on Last Birthday: ____ Grade for Current School Year: ____

B. Understanding of eligibility rules: I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature _____ Date____/____/_____

C. Disclosure of records needed to determine eligibility: To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature _____ Date____/____/_____

D. Permission to use name, likeness, and athletic information: I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature _____ Date____/____/_____

E. Permission to administer emergency medical care: I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature _____ Date____/____/_____

F. Confidentiality: The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

Parent's/Guardian's Signature _____ Date____/____/_____

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?
A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?
Concussions cannot be seen; however, in a potentially concussed student, ***one or more*** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
  The right equipment for the sport, position, or activity;
  Worn correctly and the correct size and fit; and
  Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

Student's Signature _____ Date___/___/____

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

Parent's/Guardian's Signature _____ Date___/___/____

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 350,000 cardiac arrests that occur outside of hospitals each year. More than 10,000 individuals under the age of 25 die of SCA each year. SCA is the number one killer of student athletes and the leading cause of death on school campuses.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as

- Dizziness or lightheadedness when exercising;
- Fainting or passing out during or after exercising;
- Shortness of breath or difficulty breathing with exercise, that is not asthma related;
- Racing, skipped beats or fluttering heartbeat (palpitations)
- Fatigue (extreme or recent onset of tiredness)
- Weakness;
- Chest pains/pressure or tightness during or after exercise.

These symptoms can be unclear and confusing in athletes. Some may ignore the signs or think they are normal results off physical exhaustion. If the conditions that cause SCA are diagnosed and treated before a life-threatening event, sudden cardiac death can be prevented in many young athletes.

What are the risks of practicing or playing after experiencing these symptoms?

There are significant risks associated with continuing to practice or play after experiencing these symptoms. The symptoms might mean something is wrong and the athlete should be checked before returning to play. When the heart stops due to cardiac arrest, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who experience a SCA die from it; survival rates are below 10%.

Act 73 – Peyton's Law - Electrocardiogram testing for student athletes

The Act is intended to help keep student-athletes safe while practicing or playing by providing education about SCA and by requiring notification to parents that you can request, at your expense, an electrocardiogram (EKG or ECG) as part of the physical examination to help uncover hidden heart issues that can lead to SCA.

Why do heart conditions that put youth at risk go undetected?

- Up to 90 percent of underlying heart issues are missed when using only the history and physical exam;
- Most heart conditions that can lead to SCA are not detectable by listening to the heart with a stethoscope during a routine physical; and
- Often, youth don't report or recognize symptoms of a potential heart condition.

What is an electrocardiogram (EKG or ECG)?

An ECG/EKG is a quick, painless and noninvasive test that measures and records a moment in time of the heart's electrical activity. Small electrode patches are attached to the skin of your chest, arms and legs by a technician. An ECG/EKG provides information about the structure, function, rate and rhythm of the heart.

Why add an ECG/EKG to the physical examination?

Adding an ECG/EKG to the history and physical exam can suggest further testing or help identify up to two-thirds of heart conditions that can lead to SCA. An ECG/EKG can be ordered by your physician for screening for cardiovascular disease or for a variety of symptoms such as chest pain, palpitations, dizziness, fainting, or family history of heart disease.

- ECG/EKG screenings should be considered every 1-2 years because young hearts grow and change.
- ECG/EKG screenings may increase sensitivity for detection of undiagnosed cardiac disease but may not prevent SCA.
- ECG/EKG screenings with abnormal findings should be evaluated by trained physicians.
- If the ECG/EKG screening has abnormal findings, additional testing may need to be done (with associated cost and risk) before a diagnosis can be made, and may prevent the student from participating in sports for a short period of time until the testing is completed and more specific recommendations can be made.
- The ECG/EKG can have false positive findings, suggesting an abnormality that does not really exist (false positive findings occur less when ECG/EKGs are read by a medical practitioner proficient in ECG/EKG interpretation of children, adolescents and young athletes).
- ECGs/EKGs result in fewer false positives than simply using the current history and physical exam.

The American College of Cardiology/American Heart Association guidelines do not recommend an ECG or EKG in asymptomatic patients but do support local programs in which ECG or EKG can be applied with high-quality resources.

Removal from play/return to play

Any student-athlete who has signs or symptoms of SCA must be removed from play (which includes all athletic activity). The symptoms can happen before, during, or after activity.

Before returning to play, the athlete must be evaluated and cleared. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed this form and understand the symptoms and warning signs of SCA. I have also read the information about the electrocardiogram testing and how it may help to detect hidden heart issues.

Section 5: SUPPLEMENTAL ACKNOWLEDGEMENT, WAIVER AND RELEASE: COVID-19

The COVID-19 pandemic presents athletes with a myriad of challenges concerning this highly contagious illness. Some severe outcomes have been reported in children, and even a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable.

While it is not possible to eliminate all risk of being infected with or furthering the spread of COVID-19, PIAA has urged all member schools to take necessary precautions and comply with guidelines from the federal, state, and local governments, the CDC and the PA Departments of Health and Education to reduce the risks to athletes, coaches, and their families. As knowledge regarding COVID-19 is constantly changing, PIAA reserves the right to adjust and implement precautionary methods as necessary to decrease the risk of exposure to athletes, coaches and other involved persons. Additionally, each school has been required to adopt internal protocols to reduce the risk of transmission.

The undersigned acknowledge that they are aware of the highly contagious nature of COVID-19 and the risks that they may be exposed to or contract COVID-19 or other communicable diseases by permitting the undersigned student to participate in interscholastic athletics. We understand and acknowledge that such exposure or infection may result in serious illness, personal injury, permanent disability or death. We acknowledge that this risk may result from or be compounded by the actions, omissions, or negligence of others. The undersigned further acknowledge that certain vulnerable individuals may have greater health risks associated with exposure to COVID-19, including individuals with serious underlying health conditions such as, but not limited to: high blood pressure, chronic lung disease, diabetes, asthma, and those whose immune systems that are compromised by chemotherapy for cancer, and other conditions requiring such therapy. While particular recommendations and personal discipline may reduce the risks associated with participating in athletics during the COVID-19 pandemic, these risks do exist. Additionally, persons with COVID-19 may transmit the disease to others who may be at higher risk of severe complications.

By signing this form, the undersigned acknowledge, after having undertaken to review and understand both symptoms and possible consequences of infection, that we understand that participation in interscholastic athletics during the COVID-19 pandemic is strictly voluntary and that we agree that the undersigned student may participate in such interscholastic athletics. The undersigned also understand that student participants will, in the course of competition, interact with and likely have contact with athletes from their own, as well as other, schools, including schools from other areas of the Commonwealth. Moreover, they understand and acknowledge that our school, PIAA and its member schools cannot guarantee that transmission will not occur for those participating in interscholastic athletics.

NOTWITHSTANDING THE RISKS ASSOCIATED WITH COVID-19, WE ACKNOWLEDGE THAT WE ARE VOLUNTARILY ALLOWING STUDENT TO PARTICIPATE IN INTERSCHOLASTIC ATHLETICS WITH KNOWLEDGE OF THE DANGER INVOLVED. WE HEREBY AGREE TO ACCEPT AND ASSUME ALL RISKS OF PERSONAL INJURY, ILLNESS, DISABILITY AND/OR DEATH RELATED TO COVID-19, ARISING FROM SUCH PARTICIPATION, WHETHER CAUSED BY THE NEGLIGENCE OF PIAA OR OTHERWISE.

We hereby expressly waive and release any and all claims, now known or hereafter known, against the student's school, PIAA, and its officers, directors, employees, agents, members, successors, and assigns (collectively, "**Releasees**"), on account of injury, illness, disability, death, or property damage arising out of or attributable to Student's participation in interscholastic athletics and being exposed to or contracting COVID-19, whether arising out of the negligence of PIAA or any Releasees or otherwise. We covenant not to make or bring any such claim against PIAA or any other Releasee, and forever release and discharge PIAA and all other Releasees from liability under such claims.

Additionally, we shall defend, indemnify, and hold harmless the student's school, PIAA and all other Releasees against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including attorney fees, fees, and the costs of enforcing any right to indemnification and the cost of pursuing any insurance providers, incurred by/awarded against the student's school, PIAA or any other Releasees in a final judgment arising out or resulting from any claim by, or on behalf of, any of us related to COVID-19.

We willingly agree to comply with the stated guidelines put forth by the student's school and PIAA to limit the exposure and spread of COVID-19 and other communicable diseases. We certify that the student is, to the best of our knowledge, in good physical condition and allow participation in this sport at our own risk. By signing this Supplement, we acknowledge that we have received and reviewed the student's school athletic plan.

SECTION 6: HEALTH HISTORY

Explain "Yes" answers at the bottom of this form.
Circle questions you don't know the answers to.

		Yes	No
1.	Has a doctor ever denied or restricted your participation in sport(s) for any reason?	☐	☐
2.	Do you have an ongoing medical condition (like asthma or diabetes)?	☐	☐
3.	Are you currently taking any prescription or nonprescription (over-the-counter) medicines or pills?	☐	☐
4.	Do you have allergies to medicines, pollens, foods, or stinging insects?	☐	☐
5.	Have you ever passed out or nearly passed out DURING exercise?	☐	☐
6.	Have you ever passed out or nearly passed out AFTER exercise?	☐	☐
7.	Have you ever had discomfort, pain, or pressure in your chest during exercise?	☐	☐
8.	Does your heart race or skip beats during exercise?	☐	☐
9.	Has a doctor ever told you that you have (check all that apply): ☐ High blood pressure ☐ Heart murmur ☐ High cholesterol ☐ Heart infection	☐	☐
10.	Has a doctor ever ordered a test for your heart? (for example ECG, echocardiogram)	☐	☐
11.	Has anyone in your family died for no apparent reason?	☐	☐
12.	Does anyone in your family have a heart problem?	☐	☐
13.	Has any family member or relative been disabled from heart disease or died of heart problems or sudden death before age 50?	☐	☐
14.	Does anyone in your family have Marfan Syndrome?	☐	☐
15.	Have you ever spent the night in a hospital?	☐	☐
16.	Have you ever had surgery?	☐	☐
17.	Have you ever had an injury, like a sprain, muscle, or ligament tear, or tendonitis, which caused you to miss a Practice or Contest? If yes, circle affected area below:	☐	☐
18.	Have you had any broken or fractured bones or dislocated joints? If yes, circle below:	☐	☐
19.	Have you had a bone or joint injury that required x-rays, MRI, CT, surgery, injections, rehabilitation, physical therapy, a brace, a cast, or crutches? If yes, circle below:	☐	☐
	Head Neck Shoulder Upper arm Elbow Forearm Hand/ Fingers Chest Upper back Lower back Hip Thigh Knee Calf/shin Ankle Foot/ Toes		
20.	Have you ever had a stress fracture?	☐	☐
21.	Have you been told that you have or have you had an x-ray for atlantoaxial (neck) instability?	☐	☐
22.	Do you regularly use a brace or assistive device?	☐	☐

		Yes	No
23.	Has a doctor ever told you that you have asthma or allergies?	☐	☐
24.	Do you cough, wheeze, or have difficulty breathing DURING or AFTER exercise?	☐	☐
25.	Is there anyone in your family who has asthma?	☐	☐
26.	Have you ever used an inhaler or taken asthma medicine?	☐	☐
27.	Were you born without or are your missing a kidney, an eye, a testicle, or any other organ?	☐	☐
28.	Have you had infectious mononucleosis (mono) within the last month?	☐	☐
29.	Do you have any rashes, pressure sores, or other skin problems?	☐	☐
30.	Have you ever had a herpes skin infection?	☐	☐
	CONCUSSION OR TRAUMATIC BRAIN INJURY		
31.	Have you ever had a concussion (i.e. bell rung, ding, head rush) or traumatic brain injury?	☐	☐
32.	Have you been hit in the head and been confused or lost your memory?	☐	☐
33.	Do you experience dizziness and/or headaches with exercise?	☐	☐
34.	Have you ever had a seizure?	☐	☐
35.	Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?	☐	☐
36.	Have you ever been unable to move your arms or legs after being hit or falling?	☐	☐
37.	When exercising in the heat, do you have severe muscle cramps or become ill?	☐	☐
38.	Has a doctor told you that you or someone in your family has sickle cell trait or sickle cell disease?	☐	☐
39.	Have you had any problems with your eyes or vision?	☐	☐
40.	Do you wear glasses or contact lenses?	☐	☐
41.	Do you wear protective eyewear, such as goggles or a face shield?	☐	☐
42.	Are you unhappy with your weight?	☐	☐
43.	Are you trying to gain or lose weight?	☐	☐
44.	Has anyone recommended you change your weight or eating habits?	☐	☐
45.	Do you limit or carefully control what you eat?	☐	☐
46.	Do you have any concerns that you would like to discuss with a doctor?	☐	☐
	FEMALES ONLY	☐	☐
47.	Have you ever had a menstrual period?	☐	☐
48.	How old were you when you had your first menstrual period?	_____	
49.	How many periods have you had in the last 12 months?	_____	
50.	Are you pregnant?	☐	☐

Central Dauphin School District

Certain Medical Conditions Medication Form

Student's Name: _____ School Enrolled: _____

DOB: _____ Participating in sports at: (Circle): CDEHS / CDHS / CDEMS-SMS / CDMS-LMS

Grade level at time sport season begins: (Circle) 7 8 9 10 11 12 Sport(s): _____

Central Dauphin School District requires that any student-athlete diagnosed with a medical condition such as asthma, reactive airway disease, diabetes, or severe allergic reactions requiring use of an epi-pen must have that medication present at all practices and events. Yearly, parent(s)/guardian(s) must fill out the Certain Medical Conditions Form and return it prior to the student-athlete's participation. The medication must be labeled clearly with the student-athlete's name and kept in a specific location for each practice and event as designated by the team physician, athletic trainer, athletic director, or coach. Any student-athlete found without his/her medication can be removed from practice/event and not allowed to participate until medication is produced and placed in specific location. Forms will be shared between athletic trainers and school nurses.

Condition(s):

____ Asthma (either controlled or exercise-induced) or Reactive Airway Disease

____ Severe Allergic Reaction requiring use of an Epi-Pen

____ Diabetes

Name of Medication(s): _____

Dosage(s)/ Route of administration/dose time(s): _____

_____

_____
