Chambers Hill Elementary School Mission

The mission of Chambers Hill Elementary School is to develop lifelong learners striving to attain individual potential within a risk-free, respectful environment that accepts individual differences and encourages positive interaction between home and school.

Dear Parents/Guardians:

Our school is participating in a supportive reading program which supplements the students' general classroom reading instruction. Reading specialists will serve as literacy coaches for the teachers and work with small groups of students with research-based reading instruction.

The completion of a home/school compact is an essential component of the program. This compact outlines how the parents/guardians, the entire school staff, and the students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

SCHOOL-PARENT COMPACT

School Responsibilities

Our school will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement as follows:
 - An approved curriculum that aligns with state standards
 - Research-based instructional programs
 - Highly qualified teachers to implement the curriculum
- Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement. Conferences will be held in November and March
- Provide parents with frequent reports on their child's progress. Report cards will be available three times per year at the end of each trimester.
- Provide parents/guardians reasonable access to staff. Staff members will be available via e-mail, by phone, or scheduled meetings. Contact information for each school is available on the District Website, <http://www.cdschools.org/>.
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities as described in the school handbook.
