

Dear Parents,

Over the next several weeks, we will be learning how to **show, count, and write numbers 0-10**. The information below will help you to support your child as they learn these exciting, yet important kindergarten math skills.

**The GOAL:**

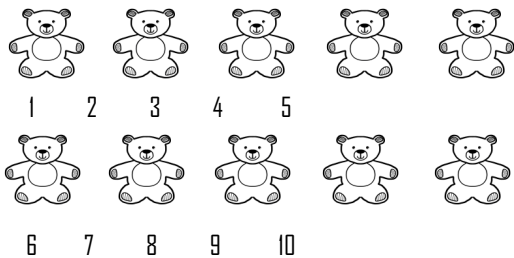

By the end of the unit, your child should be able to **show, count, name, compare and write numbers 0-10**.

**How can I count by ones to 10?**

Rote Count:

0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10

One-to-one Correspondence:

How can I write numbers 0-9?

0 1 2 3 4

**How can I identify numbers?**

0				
1				
2				
3				
4				
5				
6				
7				
8				
9				
10
