

AT HOME:

In order to use your personal Chromebook at school, you must first sign into your district account on the device from home, before you bring it to school.

1. While still at home
2. Power on the Chromebook
3. Sign into Chromebook with your district account

AT SCHOOL:

1. Power on the Chromebook
2. You should now be auto connected to CDS Student Chromebooks

3. Sign into Chromebook with your district account
