

CENTRAL DAUPHIN SCHOOL DISTRICT
ADMINISTRATION POLICY OF MEDICATIONS

Parents may request that the school district administer medication to their children at school when it is necessary for the medication to be administered during the school day. Requests for medication will be treated as any other confidential school information.

1. A written physician's order must accompany each medication to be dispensed. No medication is administered by school personnel without specific written instructions from a physician.
2. Parent/guardian must sign a Parental Authorization Form for the administration of medication. (*Reverse side) This form indemnifies all employees in connection with the dispensation of medication as ordered by the physician.
3. Pharmacy containers must be clearly labeled with the child's name, name of physician, date of the prescription, name and telephone number of pharmacy, name of medication, dosage, and frequency of administration.

*Complete reverse side and return to nurse's office.
